New contract aims to improve NGA's approach to personnel management

SPRINGFIELD, Virginia — The National Geospatial-Intelligence Agency awarded a \$63 million human resources management contract to Deloitte Consulting LLP Nov. 22.

The contract is intended to help NGA's Human Development Directorate adopt a more integrated approach of seamless human resources operations.

Human resource management, known as HRM in the industry, is a holistic approach to the processes involved with managing personnel within an organization, from recruitment to retirement and everything in between.

###

About NGA

NGA delivers world-class geospatial intelligence that provides a decisive advantage to policymakers, warfighters, intelligence professionals and first responders.

NGA is a unique combination of intelligence agency and combat support agency. It is the world leader in timely, relevant, accurate and actionable geospatial intelligence. NGA enables the U.S. intelligence community and the Department of Defense to fulfill the president's national security priorities to protect the nation.
